

Hosted BYOD

You've made the jump from traditional phones to a hosted or IP-based system, and you're interested in moving to a premium hosted PBX VoIP provider – but you want to keep your existing phones and equipment.

Hosted BYOD (Bring Your Own Device) lets you enjoy all of the benefits of BullsEye Telecom's premium VoIP solution while keeping your existing equipment.

The BullsEye Way

Making the move between Hosted PBX providers can be complex and stressful, but you won't have to do it alone. Let BullsEye do the heavy lifting so you can focus on what makes your company successful.

THE COMPLETE PORTFOLIO

- ✓ Hosted PBX
- ✓ POTS over broadband
- ✓ IP PRI
- ✓ SIP trunk
- ✓ UCaaS

HOSTED BYOD ADVANTAGES
